FUTURA 2000

PERENNIAL RYEGRASS BLEND

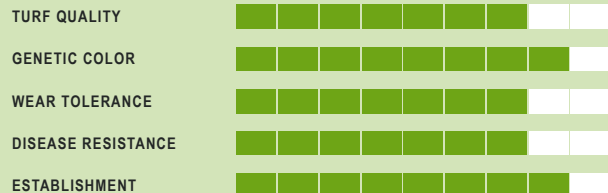

Futura 2000 A perennial favorite. The product of time and tradition, Futura 2000's consistent great looks, high performance and affordability have made it the long-time choice of turf professionals everywhere. Futura 2000 is the original high-performance ryegrass blend. Over the years, DLF Pickseed has developed the new, more technically advanced varieties that make up Futura 2500 and Futura 3000; however, turf professionals everywhere continue to trust Futura 2000's great looks, outstanding performance and consistency. Futura 2000 exhibits deep green color and fine-leaved appearance in a variety of geographic applications and growing conditions. It's rapid establishment, ease of maintenance, and hardiness make it a great choice wherever a turf-type perennial ryegrass is needed.
